ABOUT UNiBONDS

We as a Group

We are a dynamic enterprise committed to empowering financial growth, fostering innovation, and driving sustainable impact. With deep expertise across investment solutions, strategic advisory, fund raising and venture capital, we serve as trusted partners to professionals, institutions, and visionary entrepreneurs. Our focus spans from simplifying wealth management and corporate finance to mentoring and scaling high-potential startups in transformative sectors such as technology, sustainability, and global markets. Guided by integrity, research-driven insights, and a collaborative vision, we are shaping smarter financial journeys and nurturing the businesses that will define a better tomorrow.

Our Businesses

OUR FOUNDER

Mr. Nirav Sheth

A serial entrepreneur and a veteran in Financial Services Industry Mr. Sheth holds an overall experience of 20 years plus, of which 15 years in corporate life, with some of the esteemed organisations. An Investor Relations & Public Policy enthusiast, he holds deep interest in Policy Advocacy and Stake Holder Relationships.

Coming from a business family, Mr. Sheth possesses vital experience in building and managing businesses. Widely instrumental in Mentoring Sustainable Startup Businesses, he is also on Advisory Board of a few esteemed brands.

Being passionate for his Network Building Skills, Mr. Sheth holds key advisory positions with few esteemed Global Chambers, viz., Indian Economic Trade Organisation, EU Chamber of Commerce & Industries, Climate Policy Initiative, UK Dept. of International Trade, etc., to not only leverage the opportunity to get access to business policymakers, but also to support and guide businesses in engaging with their cross-border expansions.

OUR PHILOSOPHY

Our Mission

We bridge capital with ideas through technology, research, and advisory. We deliver transparent, intelligent, and future-ready solutions across investments, consulting, and venture building.

Our Vision

We aspire to create a borderless ecosystem that unites investments, advisory, and innovation into one powerful place. Our vision is to position India as global leaders in sustainable wealth creation and transformative entrepreneurship.

WHAT OUR CLIENTS SAY

Jayesh Patel

MD,
Lead Reclaim & Rubber
Products Ltd

We have been associated with the team since more than 3 years now, and we can confidently shoutout for the critical solutions they provide with innovative structures managing finances in business. They hold a unique view for every unexpected situation.

Chintan Bodar

CFO,
Kaka Industries Ltd

It was our maiden interaction with the team, through a reference and the situation we shared was not only crucial, but also quite impossible. But their sheer strength on judging the numbers right, they proved their worth. It was very professionals' approach.

Miral Vaghela

Database Architect,
Oliver Wyman, USA

Mr. Nirav Sheth's expert guidance transformed my financial planning. They helped design a practical long-term strategy aligned with my lifestyle and goals. Professional, approachable and reliable service that I truly appreciate.
